Introduction

Introduction

Legal Basis

1. The Commission on Audit, thru the Corporate Government Sector (CGS), is mandated under COA Memorandum No. 92-780, dated 21 September 1992, as amended by COA Memoranda Nos. 2010-012 and 2012-005, dated 06 April 2010 and 20 April 2012, respectively, to prepare a consolidated Report on the Salaries and Allowances (ROSA) received by: (a) Principal officers and members of governing boards of government-owned or controlled corporations/government financial institutions (GOCCs/GFIs) and their subsidiaries; and (b) Secretaries, Undersecretaries and Assistant Secretaries and other officials of equivalent rank of national government agencies (NGAs), and to submit the same to the Office of the President of the Philippines and the Congress.
2. The definition and description of the allowances/benefits and the related governing laws, rules and regulations, authorizing the grant of the same, which served as guide to the government auditors in the compilation of the ROSA data, were circularized via COA Memorandum 2012-005 dated 20 April 2012.
3. The data as herein presented were summarized from the quarterly reports of the auditors who submitted the information on the salaries, allowances and other benefits granted during the year to the top three officials of their auditee agencies. Such information include the "nil" data on some government officials who rendered services during the year but received no compensation therefor. The presentation thereof is in accordance with the 3rd paragraph of COA Memorandum No. 92-780, which provides that, *"If the principal officers, members of the governing board, Secretary, Undersecretary or Assistant Secretary did not receive any salary and/or allowance during the year, their name just the same should be included in the list but should be so identified as not having received such salary and/or allowance for that year."*
4. The consolidated data as presented do not include the intelligence and confidential funds granted to the various government officials as these funds are meant to defray expenses for the maintenance of peace and order and other home defense programs and activities. These funds do not accrue to the personal benefit of the public official concerned and the same are governed by separate and specific guidelines.

5. The tabulated data however, includes extraordinary and miscellaneous expenses (EME) which are presented as a separate item after the sub-totals for salaries, allowances and benefits, pursuant to COA Memorandum No. 2012-005.

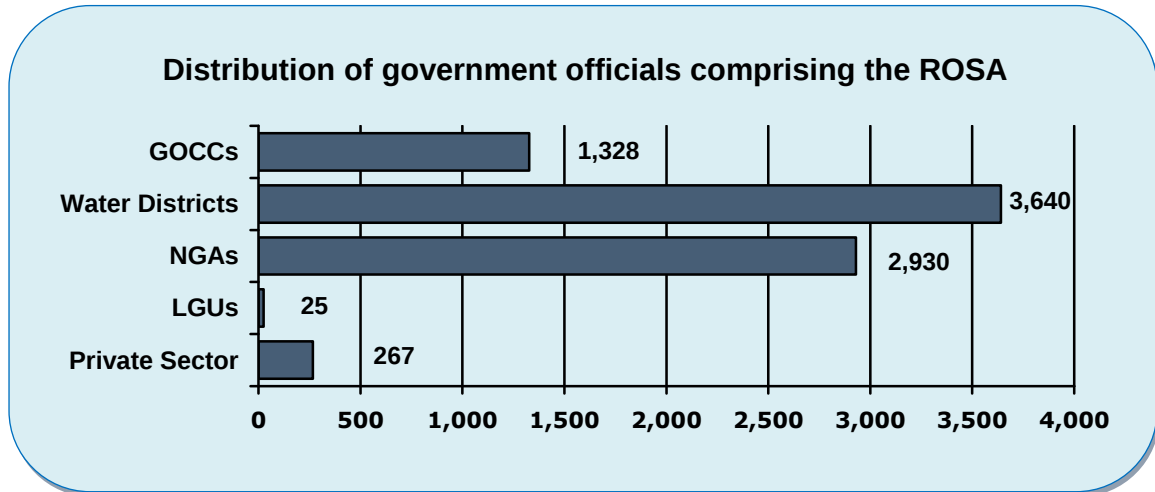

Report Objectives

6. The report aims to complement the continuing thrust of government to promote transparency in its operations, through an effective monitoring of the salaries and allowances received by government officials holding multiple positions as well as the determination of the total amount of emoluments and benefits received by them from the different government agencies/instrumentalities to which they were affiliated.

Structure and contents

7. The General Appropriations Law and other sources showed a total of 972 government offices that paid salaries, allowances and benefits to its government officials. This report pertains to government agencies/instrumentalities consisting of 630 GOCCs (inclusive of 486 water districts and 16 stand-alone GOCCs located in the regions) and 342 NGAs (inclusive of 114 state universities and colleges and stand-alone NGAs operating in the regions).
8. Featured herein are the reports from 966 government agencies/instrumentalities representing 99.38% percent of the 972 expected reports. To facilitate the timely preparation of the ROSA, the Chairperson, this Commission, required submission of data on a quarterly basis.
9. For the Corporate Government Sector, data from a total of 512 quarterly reports from the various GOCCs/GFIs (excluding water districts and stand-alone GOCCs located in the regions) are herein presented. For the National Government Sector, a total of 892 quarterly reports from its eight Clusters comprise the herein consolidated data.
10. Expected at the regional level were 2,472 quarterly reports from 618 agencies consisting of 116 stand-alone NGAs including state universities and colleges, 486 water districts and 16 stand-alone GOCCs. Included in the herein consolidation however, were 2,468 quarterly reports from the various regional offices. Annex A is a list of government agencies and instrumentalities not included in this report.

11. A total of 8,190 government officials from the 966 government agencies/instrumentalities are listed in the CY 2013 ROSA. This total consists of 4,968 officials and members of the governing boards of GOCCs and GFIs (inclusive of 3,640 officials of water districts); 2,930 officials of different national government agencies; 25 officials from Local Government Units (LGUs); and 267 representatives from the private sectors. The following is a graphic presentation on the distribution of the government officials included in this report.

12. Private Sector representatives refer to the officials/officers from private companies, associations and private individuals that are affiliated with government agencies/instrumentalities. Annex B provides the list of private sector representatives and their respective position(s) held.
13. Annex C shows the list of local government officials appointed as members of the board of various GOCCs/SUCs.
14. For brevity and to facilitate identification, acronyms of the various government agencies were used in the report. Listed in Annex D are the names of government agencies and their corresponding acronyms.
15. The compensation data submitted by the auditors from the various government agencies were categorized into six (6) major classifications as follows:
- Basic salary;
 - Personnel economic relief allowance/additional compensation/honorarium;
 - Allowances;
 - Bonus, incentives and benefits;
 - Other allowances; and
 - Discretionary and extraordinary and miscellaneous expenses.

16. To facilitate presentation, the various classifications used to categorize the compensation data submitted by the auditors, were made according to the nature of the compensation with reference to the Chart of Accounts under the New Government Accounting System (NGAS). Detailed in Annex E is the composition of the major categories of the allowances, bonuses, incentives and benefits as well as other compensation received by the government officials as shown in Part V hereof.
